

devopsdays Minneapolis 2017

The devops community in Minneapolis is vibrant and active. Our local devops meetup has surpassed 2,500 members and our 2016 devopsdays conference exceeded expectations in its third year by attracting 700 attendees, doubling in size from the previous year.

Minnesota is the state with the third-most Fortune 500 companies per capita, and also boasts a thriving and innovative startup scene. Sponsoring devopsdays Minneapolis will expose your brand to practitioners, managers, and executives from organizations of all sizes and industries including retail, banking, medical technology, education, government, and consulting.

For 2017, we are holding the conference in the main ballroom of the Downtown Minneapolis Hilton and are expecting to draw an attendance of over 700 people. As in the past, we expect the sponsor area will be abuzz with activity and our attendees will be able to easily engage each of you.

Call for speakers and registration is also open now. Please visit <https://www.devopsdays.org/events/2017-minneapolis/> for more information.
